VISITOR GUIDELINES

Before you begin your jouney of discovery, here are some tips to help make visits to Pulau Ubin safe and pleasant for everyone:

- Exercise responsibility for your own personal safety.
- Consult the National Parks Board if you are planning a group activity. Refrain from setting up any markers, checkpoints or signs without authorisation. Application for park usage is required for the following:
 - Organised group of more than 40 peopleTicketed events
 - Evented requiring structural set-up or amplified sound systems
- Send your request to NParks_Pulau_Ubin@nparks.gov.sg
- Use only designated paths, trails, roads, tracks and boardwalks. Please keep to your left so as not to obstruct others.
- If cycling, put on protective gear and ensure your bicycle is in good working condition before setting off. When cycling downhill or negotiating a bend, switch to a lower gear and slow down by braking gently.
- Shower facilities are available only at Ubin Living Lab.

- For your safety, stay out of closed areas and keep away from the edges of granite quarries, ponds and rivers.
- Light fires only at designated campfire pits. Do not leave your fire unattended and make sure it is completely extinguished before leaving the campsite.
- Be considerate and take good care of the facilities on the island so that others can also enjoy them.
- Appreciate the sounds of nature and respect other park users by keeping noise levels low.
- Observe and appreciate wildlife from a distance.
- Hornets and wild bees are potentially dangerous when disturbed stay clear of any nest or hive and report its location to the National Parks Board.
- Apply insect repellent to protect yourself against mosquitoes and sandflies.

In case of any emergency or accident, please call 999/995

For non-emergency enquiries, please call: National Parks Board Helpline: 1800 - 471 7300
